Staff
Staff coaches will include a select group of collegiate players. In addition to coaching responsibilities, these staff members provide direct support and encouragement as role models to developing players. Staff subject to change.

Goalkeeping Sessions
Goalkeepers will participate in specialized training sessions where they will work on technique, footwork, conditioning specific to the position, mental concentration, and confidence-building skills in the morning sessions. They will then join the field players for the afternoon and evening sessions.

Objectives
Our primary objective is to provide each camper with a positive lacrosse experience in order to encourage enjoyment of the game and continue the evolution of the U.S.’s fastest growing sport. Fundamental skills are emphasized and then combined with tactical instruction. Each day concludes with game competition, helping campers translate what they learn in their skill, and tactical sessions into success on the field.

• The camp is open to all girls grades 6 to 12. Please register early.
• Registrations are accepted on a first-come, first-served basis.
• Players will be grouped by age, experience, and ability level.
• All phases of lacrosse will be taught and practiced during the camp.
• Around the clock supervision will be provided for each camper.

Camp Director
Ashley Manion is the seventh head coach at Shippensburg University. Coach Manion is a 2004 graduate of Lehigh University, where she was a four year starter. In 2003, as a captain, she helped lead the team to the Patriot League tournament. After graduation, Manion accepted the assistant coach position at Division I, Binghamton University. She helped build the program which was only in its third year of existence. After three years at Binghamton, Manion was named Head Women’s Lacrosse Coach at Frostburg State University in Maryland. She led her team to post season play in 2 of her 4 seasons there. Manion took over the Shippensburg program in the fall of 2011 and is working on building it into a contender within the PSAC.

Register early: Space is limited to facilitate individual attention.
