General Camp Information

Register early: Space is limited to facilitate individual attention.
Housing: Campers will be housed in new suite-style residence halls. Amenities include air conditioning and a bathroom for every two campers. Two sheets, one pillowcase, and a pillow will be provided. No towels, washcloths, or blankets are provided. Bring these items with you. Coin-operated washers and dryers are available on each floor in the residence hall.

A certificate of health must be presented by each participant at the camp’s registration. A standard form will be sent upon acceptance.
This form does not require a physician’s examination or signature.

Health Services: The Etter Health Center is staffed and equipped to take care of minor illnesses and injuries that may arise during your stay on campus. For some emergencies, the staff may send you directly to a local hospital.
Disability Services: Requests for accommodations, auxiliary aids, or services must be made in writing to the Office of Disability Services at least fifteen (15) days before the camp begins. The Office of Disability Services is located in Horton Hall 120, Shippensburg University, 1871 Old Main Drive, Shippensburg, PA 17257-2299, (717) 477-1329, ods@ship.edu.

Recreational facilities include: indoor swimming, indoor and outdoor basketball courts (if available), outdoor volleyball courts, tennis courts, and handball courts.

Absolutely no visitation by family members during the week unless permission is granted by the camp director. Experience has shown that the campers are more receptive to instruction and less stressed when outside adults are not present. Young campers (ages 10-11) should try to attend with a friend. This helps with homesickness and makes the camp experience more enjoyable for the camper.

What to bring: (LABEL YOUR GEAR!) Bring a bat, glove or mitt, hat/visor, helmet, sneakers, old clothing, sunscreen, swimsuit, blanket, and other necessities, if boarding. Catchers need their own gear, i.e., mask, chest protector, shin guards.

Objective: This is an intense high impact camp designed to improve individual skills regardless of the player's current skill level. The objectives will be reached by intense and concentrated practice of fundamental skills and techniques of softball. Designed to develop and improve players’ individual skills and competition performance. Intense one-on-one instruction. Six hours of instruction, analysis, and games per day.

Features

All participants will generally practice and play in their own age groups. However, dependent upon skill level, we reserve the right to move a participant up or down the age groups.

All campers will receive instruction in hitting, infield, and outfield. If you wish instruction in pitching or catching, you must select one of the two as your primary position.

The participant will have the use of all the latest training aids including soft toss and pitching machines, batting cages, speed guns, soft hand gloves, wrist watch bats and clicker stick bats.

Facilities

The SU Fast Pitch Softball Camp will be conducted on the beautiful Shippensburg University campus which includes three softball diamonds and a large instructional area. Two fields are equipped with lights for night games and practices. Indoor facilities will be available in case of inclement weather.

Staff

The camp will be taught by the Shippensburg University coaching staff and a select group of highly qualified coaches and collegiate players. The camper/staff ratio will be approximately 12:1. The permanent staff for the camp includes the following:
